

Teacher Grant Application – 2020 CHANGES FOR 2020 ONLY Grants are limited to schools in Oklahoma

Due to the COVID-19 crisis and the uncertainty during these times, 4RKids has decided to suspend the usual teacher grant cycle. We have developed an alternative in order to continue to provide assistance to teachers, although in a much more limited manner.

This year, we are offering weighted animal and sensory/fidget toys to teachers who apply by October 15, 2020. Each applicant can request up to 5 weighted animals – please request only what you need. Applicants will also receive a sensory/fidget toy assortment, if desired. The assortment may vary but will include around 25 items.

Applications are available on our website, www.4rkids.com, or you may call us at 580-237-7890 and request a copy. Applications are due no later than October 15, 2019 at 4:30 p.m. in our office at 710 Overland Trail. Applications can be submitted by mail, e-mail (tmitchell@4rkids.com) or fax, 580-540-8928.

Our goal is to support every applicant. However, due to cost restrictions, we will be limited to the first 50 applications.

We realize this is different than our usual grant award and hope to return to the regular grant process next year.

If you have any questions, please contact Tricia Mitchell at 580-237-7890.
